A MESSAGE FROM MAYOR NENSHI

On behalf of my City Council colleagues and the citizens of Calgary, I would like to congratulate Stage West Calgary on 30 years of entertaining Albertans.

Calgary is home to a thriving and diverse arts community. For three decades, Calgarians have heeded Stage West's directive to "play with your dinner" and enjoyed hundreds of lively and entertaining productions. Stage West gives local actors the amazing opportunity to ply their craft along Hollywood and Broadway legends. Stage West for Kids provides Calgary parents with an excellent way to introduce their children to the magic of theatre.

I congratulate everyone who has played a role in the evolution of Stage West over the past 30 years. I look forward to seeing Stage West entertain Calgarians for many years to come.

Sincerely,

Naheed K. Nenshi
MAYOR
