Message from Honourable Alison M. Redford, QC Premier of Alberta

On behalf of the Government of Alberta, it is my pleasure to congratulate Stage West Theatre Restaurant Calgary on its 30th Anniversary.

The boom years of the 1970s and 1980s saw many changes to life in Alberta. While the population exploded and industry and infrastructure expanded, there came a new flourishing spirit in our cultural life. One of the exciting new developments was the introduction of Stage West, first in Edmonton, then in Calgary.

In the years since, Stage West has introduced an entire generation of Albertans to the thrill of live theatre and inspired many a culinary career. Stage West has given Albertans the chance to see famous performers up close, discover the astonishing depth of local talent, and share a table with family and friends on countless joyful occasions.

My best wishes to all Stage West performers, crew, culinary team and administrative staff on reaching this wonderful milestone. Best wishes as well to all audience members, young and not so young, for your starring role in the success of Stage West.

Many happy returns!
